1. Membership

The NMTF is a trade association for market and street traders, events retailers and mobile caterers in the UK. Anyone over 16 who is a permanent resident in the UK can join the NMTF.

Membership includes access to expert guidance on small business matters, discounts from leading suppliers and liability and commercial legal expenses protection:

- *Public liability protection up to £10 million*
- *Product liability protection up to £10 million*
- *Employer's liability protection up to £10 million*
- *Commercial legal expenses protection for HMRC investigations, including VAT disputes*

The protection described above is underwritten by **Aviva** (public, product, and employer's liability protection) and **Markel** (commercial legal expenses protection).

The NMTF is not an insurance company and we are not regulated by the Financial Conduct Authority.

The liability protection has no excess and is valid on any number of days, on any number of stalls, on any market, festival, fair, show and/or street trading pitch, anywhere in the UK and the European Union.

Terms, conditions and exclusions apply relating to certain products and trading activities. It is your responsibility to review this document and ensure your suitability and compliance.

There are four tiers of membership: sole, dual, triple and quadruple. Business partners must be added to the same membership to ensure that they are covered by the liability protection.

In the case of a limited company or a limited liability partnership, every director of the business must be a member of the NMTF. A nuclear family can also have the same membership.

Members do not receive an individual insurance policy from the NMTF. Protection is a blanket policy for all members and individuals are covered if their membership has not expired.

Members are issued with a membership certificate from the NMTF that states their name, membership number and an expiry date.

Payment of the appropriate subscription fee is a request for immediate access to membership. Therefore, subscription fees are non-refundable and non-transferable.

Any questions about the liability and commercial legal expenses protection included within membership must be addressed to the Membership Department.

The Membership Department can be contacted on 01226 749021 or genoffice@nmtf.co.uk (office hours are Monday to Friday, 9am to 5pm).

2. Membership Department

The Membership Department is your first point of contact for any questions or queries that you may have about membership of the NMTF.

It is their responsibility to process data about new and existing members, take payment for subscription fees and can direct you to other departments if required.

You must keep the Membership Department updated of any changes to your personal and/or business circumstances that may affect your membership. These include:

- **Contact details:** *Personal address, email, landline and/or mobile numbers.*
- **Trading activity:** *Business name, product lines and types of trading (e.g. markets, street trading, events and/or online).*
- **Business partners:** *If you are not a sole trader and you are working in partnership, you will need a multiple membership (either dual, triple or quadruple). If any additional members are added to a membership, it is the responsibility of the main member to ensure they are aware of and understand this document.*
- **Employing staff:** *If you employ staff, you will need to give us your Employer Reference Number (ERN). This is the number supplied to you from HMRC for you to run your PAYE system. It is also known as the 'Employer PAYE Reference'. Your ERN number can be found on P45, P60 and P11D forms, e.g. 123/NM45678. The ERN applies to all UK businesses employing one or more people. You don't need to register for PAYE if you pay all employees below the Lower Earnings Limit, none of the employees has another job, and none of the employees is in receipt of a state or occupational pension or other employee benefits.*

Failure to disclose any changes to the above may restrict your access to services provided by the NMTF, which includes public, product and employer's liability protection.

Important note: NMTF membership does not extend to cover any franchise activities. If you have any such activities, please contact the NMTF Membership team immediately.

The NMTF has appropriate measures in place to prevent the unauthorised processing, accidental loss or destruction of your personal information.

We will not keep your personal information for longer than it is necessary for our purposes. Your personal information will not be given to any third parties.

The Membership Department is unable to give you any advice on general insurance products and services provided by Aviva, Markel or any other insurance company.

3. Incident Reporting / Claims Process

Members are encouraged to notify us as soon as an incident occurs that may result in a claim against the NMTF's public, product and employer's liability policy for members.

Early incident reporting enables Aviva to gather a body of evidence to either refute or allow a claim on the policy if one is to arise. Reports can include photos and witness testimonials.

To notify the NMTF of a claim on the public, product or employer's liability policy for members of the NMTF, you must follow the procedure below:

- *Contact us as soon as possible!*
- You can email us at claims@nmtf.co.uk or call us on 01226 749021. Ask for Julie Lane, Secretary.
- Quote your membership number and supply details of the claim, including date, location, claimant (if known) and a brief description of the incident.
- Send any correspondence from the claimant, including letters from a solicitor, to the Secretariat at NMTF (via post, email or fax).

Members can also report incidents which may result in a claim directly to the NMTF. If in doubt, give Julie a call – it's always worth checking to get peace of mind.

What happens next? We will forward your details and all correspondence to the underwriters of the public, product and employer's liability policy for members of the NMTF, Aviva.

A representative of Aviva will contact you to discuss your incident report or the details of the actual claim and talk you through the claims process (if required at that stage).

Please note a delay in reporting an incident which may lead to a claim may hamper the likelihood of a successful defence – *we urge you to tell us about an incident as early as possible!*

We welcome feedback about Aviva and the claims process. Email us at claims@nmtf.co.uk or call us on 01226 749021 (office hours are Monday to Friday, 9am to 5pm).

Claims Process:

You must tell Markel as soon as possible when you become aware of any cause, event or circumstance which does or may involve you and which has given, or may give rise to a claim, dispute, legal proceedings or tax investigation.

To do this, contact Markel on 03332 348 012 and quote policy number 1138616. Markel contact the NMTF to verify that you hold an active membership and so are eligible to benefit from access to this commercial legal expenses protection.

Where Markel has accepted notification as described above, Markel will treat any later claim regarding that notified cause, event or circumstance as though the claim had been notified during the period of insurance.

Markel will send you an insurance claim form that must be completed and returned as soon as possible.

Consent:

Markel will only cover claims where you have obtained their consent in writing before incurring any costs. Markel will give their consent for you to incur costs provided that you can satisfy them throughout your claim that:

- It is reasonable and proportionate (in relation to your claim) to incur costs
- There are reasonable prospects of success

If during the course of your claim you no longer satisfy Markel of the above, cover under this policy for costs will be withdrawn and any costs incurred awarded on or after the date of withdrawal will not be covered whether we previously agreed to them or not.

Markel will make their decision on whether to cover your claim based on:

- A fully completed insurance claim form
- The information and documentation they reasonably request
- A legal opinion from your representative on whether your claim has reasonable prospects of success and any professional advice they regard necessary

If your claim is accepted by Markel, it does not always mean that all costs will be paid, for example they will not cover costs for things that are not directly relevant to your claim.

Markel may also limit any cover they provide by time, amount or to a specific stage of legal proceedings in order to allow them to review their continued acceptance of your claim.

If after accepting your claim, it is shown that your claim has not been brought within the terms and conditions of the policy, no further cover will be provided, and Markel will recover from you any costs they have paid.

Counsel's opinion:

At Markel's discretion they may also require you to obtain a legal opinion from Counsel at your expense to satisfy them that there are reasonable prospects of success and it is reasonable and proportionate (in relation to your claim) to incur costs.

If based on Counsel's opinion they are satisfied in respect of the above the reasonable costs of obtaining that opinion will be paid by Markel subject to the excess and the limits shown in your policy schedule.

Claims rejected due to a lack of reasonable prospects of success:

If Markel rejected your claim solely due to a lack of reasonable prospects of success, they will pay costs that are reasonable and proportionate to the legal and/or financial remedy achieved, subject to the terms and conditions of this policy if:

- You proceeded with the legal action which formed your claim to its conclusion with a Court, Tribunal or equivalent having issued a judgment (excluding any settlement, mediation, alternative dispute resolution or equivalent resolution process) and were successful
- You were defending, the judgment found you were not at fault
- You were pursuing, the judgment awarded you the remedy you were seeking at the time Markel rejected your claim
- You tell us about it as soon as possible

Settlements:

You must inform Markel as soon as an offer of settlement is received, and you must obtain their consent before you make or respond to any offer of settlement.

In any settlement you must:

- Take into account the prospects of the case and likely future costs
- Try to recover as much costs as possible

If you unreasonably reject an offer of settlement which Markel recommend acceptance of or make an offer which they do not agree with, no further cover will be provided, and Markel may seek to recover from you costs they have paid.

At their discretion, instead of covering you for costs, Markel can choose to pay:

- The damages you are likely to be awarded by a Court or Tribunal or
- The amount of money being claimed against you or the amount of money the other party will settle for, whichever is the lesser

If Markel choose to do this, then your claim will end, and no further payments of costs will be made.

Co-operation:

You must co-operate with Markel and your representative at all times during the course of your claim this includes:

- Allowing Markel and your representative to communicate directly with each other about your case
- Providing a full and truthful account of your case and with all necessary documentation or evidence
- Attending any meetings as required
- Instructing your representative to provide Markel with information, documentation or evidence they require (even if privileged) and regular updates including when anything negatively affects the factors Markel took into account in accepting your claim.

Recovery of costs:

If the outcome of your case is that another party is found responsible for reimbursing you for some or all of your costs, you and your representative must make every effort to fully recover those costs which you must pay to Markel.

If the legal case was settled and the terms of the settlement do not specify the split between damages and costs, then a fair and reasonable proportion of that settlement will be treated as costs and paid to Markel.

If any money is recovered from the other party, then that money will be treated as costs and repaid to Markel first until all costs have been repaid to us.

Payment of costs:

A copy of all invoices for costs you receive from your representative should be forwarded to Markel within 30 days of the date the invoice was issued. If we require, you must ask your representative to send the costs for assessment by a Court or Tribunal or to a costs lawyer of our choice.

You are responsible for the payment of all costs. Markel will reimburse you for the costs subject to the excesses and the limits shown in your policy schedule. Markel may settle these costs directly if they choose to do so.

Appeals:

If you wish to appeal against the judgment or decision of a Court or Tribunal or if there is an appeal against a judgment that is in your favour, Markel will consider providing further cover if:

- Markel covered the initial legal proceedings that are being appealed as a claim and cover was not withdrawn

- The grounds for the appeal were submitted to Markel as soon as possible and before any deadline set by the Court or Tribunal
- If Markel require, you must co-operate in an appeal against the judgment or decision of a Court or Tribunal.

Instruction and choice of your representative, Counsel and experts

In all cases your representative will be appointed in your name and on your behalf.

Markel will choose a representative to act on your behalf other than at the point of an inquiry or legal proceedings where you will have freedom to choose your representative subject to Markel approving your choice.

You will also have freedom to choose your representative if there is a legal conflict of interest between you and Markel subject to them approving your choice.

For more information, contact the Membership Department by telephone on 01226 749021 or email at genoffice@nmtf.co.uk (office hours: Monday to Friday, 9am to 5pm).

Can I pay for membership of the NMTF in instalments?

No, membership of the NMTF cannot be paid for in instalments. This is to ensure that all members of the NMTF receive the same level of service.

Crucially, this avoids potential fraud through the provision of protection through the NMTF's public, product and employer's liability protection for members.

Can membership of the NMTF be in a company name?

No, membership of the NMTF is personal to you to use for business purposes.

In the case of a limited company or limited liability partnership, every director of the business must be a member of the NMTF.

If business partners are not members, they will be refused access to services provided by the NMTF, which includes public, product and employer's liability protection.

How long does membership of the NMTF last for?

Membership of the NMTF is annual and runs for 12 months. However, you may notice your expiry date is slightly different than this.

Expiry dates are brought forward roughly a couple of weeks, so we can remind you in enough time to renew your membership (delays for the post, etc.)

On your expiry date, your inclusion under the liability protection for members of the NMTF is temporarily lifted – **it is in your best interest to renew before your expiry date.**

If you do not renew your membership within 28 days, you will become lapsed. Renewal after this period means there is a break in membership from your date of expiry to your date of re-joining.

When you renew before you become lapsed, 12 months are added to your original expiry date so in another year, we can remind you in enough time to renew your membership.

How long will it take to get my NMTF membership certificate?

Whether you join the NMTF over the phone or online a welcome email will be sent to you within 24 hours.

This welcome email will include your membership certificate, and all the information you need to know about your membership of the NMTF. If you have requested a stall sign, this will be posted out to you.

What is my proof of liability insurance with membership of the NMTF?

A membership certificate is proof of public, product and employer's liability protection for all members of the NMTF.

We do not issue individual insurance certificates or policies. This is because the NMTF is a trade association and not an insurance company – we are not regulated by the FCA.

However, if an operator requires further proof of liability protection, an indemnity letter can be downloaded in the Members Area.

This can be supplied by the Membership Department. Please call them on 01226 749021 or email genoffice@nmtf.co.uk (office hours: Monday to Friday, 9am to 5pm).

Do I receive an employer's liability certificate?

Whilst we will not send you a hard copy of the employer's liability certificate, you can download one at any time by visiting the Members Area on our website — members.nmtf.co.uk — and print it off.

Please note the date on the certificate refers to the employer's liability policy for all members of the NMTF, which runs from December to December. **It is not personal to you.**

The employer's liability certificate is for display purposes only. It is not proof of your membership of the NMTF nor is it proof of public and product liability protection.

Traders who display the employer's liability protection for NMTF members who do not have an active membership of the NMTF are not protected by it.

Replacement certificates are supplied free of charge on request through the Membership Department.

The Membership Department can be contacted by telephone on 01226 749021 or email genoffice@nmtf.co.uk (office hours: Monday to Friday, 9am to 5pm).

What is my individual policy number for public and product liability insurance?

You don't have one. Public, product and employer's liability protection is a blanket policy for all members and individuals are covered if their membership has not expired.

If an operator is demanding a letter of indemnity, these can be supplied on request through the Membership Department.

The Membership Department can be contacted by telephone on 01226 749021 or email genoffice@nmtf.co.uk (office hours: Monday to Friday, 9am to 5pm).

How can I cancel my membership of the NMTF?

We hope members will never have to cancel their membership of the NMTF.

However, we understand that in some cases, such as retirement, that membership of the NMTF needs to be stopped.

To speak with us about cancelling your membership of the NMTF, contact the Membership Department by telephone on 01226 749021 or by email at genoffice@nmtf.co.uk

Please note that the subscription fees for membership of the NMTF are non-transferable and non-refundable.
